

Bring Home the Cure!

The Southern Arizona 2008 Walk to Cure Diabetes took place at the beautiful Reid Park, Soccer Field A on November 1, 2008. The morning was brisk, the sky was a beautiful shade of (JDRF) blue, the volunteers started the set up in excited anticipation of the morning ahead. The TMC Kids Korner was complimented by a pumpkin patch generously donated by Buckelew Farms, where kids could pick a pumpkin and paint a silly or scary face on it, jumping castles provided by All About Parties and characters including Ronald McDonald, The Star Wars Guys, Coastie & Panda and many more!! All walkers enjoyed lunch provided by Eegees and a generous donation by The Glenn Randolph Family.

The outpouring of love and support was evident on everyone's faces, "We want a cure and we want it now!" was the battle cry as everyone left the park for the 5k walk around Reid Park. The turn out was overwhelming and the first ever Vendor Village was a huge hit with many vendors asking about participating next year!

The Walk couldn't have gone off without the support of our wonderful volunteers and amazing walk committee, chaired by Bill Holms of Wells Fargo.

We would like to thank all of our wonderful sponsors who made this day such a huge success!
